

RESOLUTION 85(19)

February 6, 2019

WHEREAS, National Nutrition Month is a nutrition education and information campaign created annually in March by the Academy of Nutrition and Dietetics; and

WHEREAS, the campaign focuses attention on the importance of making informed food choices and developing sound eating and physical activity habits. Whether it's starting the day off right with a healthy breakfast or fueling before an athletic event, the foods you choose can make a difference; and

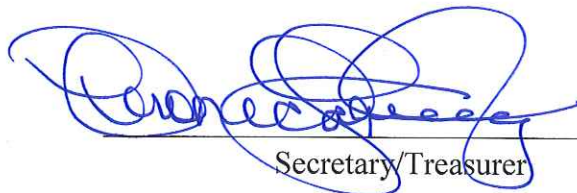

WHEREAS, there's no one diet that is right for everyone, so it's important to follow a healthful eating plan that's packed with tasty foods and that keeps your unique lifestyle in mind; and

WHEREAS, nutrition for most consumers is more about navigating the systems of their lives to make good decisions than worrying about being vitamin deficient;

WHEREAS, the Ocean County Health Department operates one of the largest Women, Infants, and Children (WIC) programs in the State of New Jersey serving 26,952 clients in the year 2017.

NOW, THEREFORE, BE IT RESOLVED that the Ocean County Board of Health proclaims the month of March 2019 as **National Nutrition Month** and encourages all residents to join the campaign and become concerned about their nutrition and the nutrition of others in the hope of achieving optimum health for both today and tomorrow.
