COVID-19 Resource Guide | Updated: 3/31/20

Regional Operations and Intelligence Center (ROIC)
Drug Monitoring Initiative (DMI), Office of Drug Monitoring & Analysis (ODMA)
31 March 2020

The spread of COVID-19 (coronavirus) has negatively impacted statewide infrastructure and reduced the availability of a wide number of treatment, prevention, and recovery resources, which are essential for DMI Health and Prevention Sharing Network (HPSN) partners and the individuals we serve.

In response to the COVID-19 pandemic, NJ's Drug Monitoring Initiative (DMI) has created a "New Jersey Resource Guide" to provide DMI partners and the public with a list of programs, links, and information to relevant resources for a variety of important topics. **Updated: 3/31/20**

These topics include **(Updates Highlighted)**:

- Executive updates from the NJ Office of the Governor **(Updated)**
- National, statewide, and county-level COVID-19 updates **(Updated)**
- Where to access naloxone (Narcan)
- Recovery support resources & meetings information
- Mental health resources
- Crisis Hotline information and contacts
- State-level resources **(Updated)**
- Social Services resources **(New)**
- Center for Disease Control (CDC) links and resources
- Food banks and emergency shelter information, by county **(Updated)**
- Senior services information **(Updated)**
- Veteran resources **(New)**
- First Responder resources **(New)**
- College resources
- Job search resources
- Information for businesses & employees **(Updated)**
- Home expenses information
- In-home education resources for students and parents
- Online entertainment information to ease social distancing & self-isolation
- Health & wellness resources
- Self-Care resources **(New)**
- Volunteers/donations opportunities
