

RESOLUTION

194(22)

August 3, 2022

WHEREAS, the goal of Fruits and Veggies Month is to increase the daily consumption of fresh produce; and The 2022 National Fruits & Veggies Month Theme is "Celebrating The Roots Of Our Food." Fruits and vegetables are the "root" of our health and well-being; and

WHEREAS, the vast majority of Americans do not meet recommended fruit and vegetable intake with 80% under-consuming fruit and nearly 90% under-consuming vegetables; and

WHEREAS, over the past 16 years, the frequency in which Americans consume produce has decreased by nearly 10%. This amounts to a loss of at least one fruit/vegetable eating occasion per week; and

WHEREAS, National Fruits & Veggies Month is a time to celebrate all the goodness that fruits and veggies bring to our tables, our minds, our souls as well as our health and happiness; and

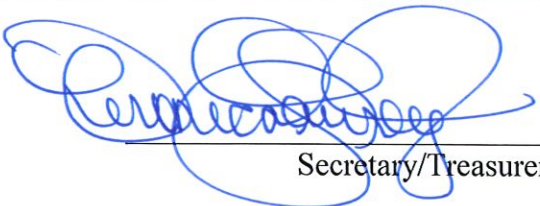

WHEREAS, a healthy eating plan rich in fruits and vegetables can help lower your risk of many serious and chronic health conditions, including heart disease, stroke, obesity, high blood pressure, high blood cholesterol, diabetes, kidney disease, osteoporosis and some types of cancer. They are also essential in many daily functions of a healthy body; and

WHEREAS, the Ocean County Health Department promotes healthy eating with the use of health education programs presented to schools and communities throughout the county.

NOW, THEREFORE, BE IT RESOLVED that the Ocean County Board of Health proclaims the month of September 2022 as Fruits and Veggies Month in Ocean County and will continue to promote and encourage healthy eating.

BE IT FURTHER RESOLVED that a copy of the resolution shall be forwarded to the Ocean County Board of Commissioners.
